REGARDING SHIPPING CHARGES

PREPAID PRICES. Owing to the low prices we ask for our plants we will prepay only to and including the 3rd zone. Orders must amount to \$2.00 or more. Orders for less will be sent collect unless adequate postage is included.

Plants marked F. O. B. will be shipped charges collect.

Where items marked collect and plants marked prepaid are ordered in combination we will ship entire order collect and will send extra plants or shrubs to more than make up for the transportation.

You may state your preference as to the plants you wish if you pay transportation.

EXTRA PLANTS. If you will pay all transportation we will be glad to send you more than enough extra plants to make up the difference. In addition we can send larger plants. We like to give our customer liberal count and quantity but cannot where we have to pay additional shipping charges. Just say "ship collect," and specify what your choice of items are to cover the transportation.

NEW CUSTOMER COUPON

As a get acquainted offer if you are ordering for the first time, sign and return this coupon with your order. We will send you something worth while as a special premium.

If you are an old customer send in a friend's order along with yours, and this card signed with her or his name, and we will send you both something extra.

CHRYSANTHEMUMS—NEW HARDY KOREAN VARIETIES—Listed by the each.

These are a new race of Chrysanthemums that are causing much favorable comment. Plants are actually smothered with flowers. Bloom early. Most of them the last of September. Are exceptionally hardy and multiply to beat the band. If you can't afford all of them that we list get a neighbor to go in with you and next year trade your surplus. Keep two to three weeks when cut.

KING MIDAS. (1937 introduction). Sept. through Oct. 4 inches across. Soft yellow, shaded bronze. Very effective. 75c
THE MOOR. (1937 introduction). Blooms late Sept. Port wine red. Very showy in the garden. Each 75c.
